VINCENT J. VIOLA

CHAIRMAN, OWNER & GOVERNOR

Vincent J. Viola is the Chairman, Owner and Governor of Sunrise Sports & Entertainment and the National Hockey League's Florida Panthers, as well as Chairman of the Florida Panthers Foundation. An entrepreneur, philanthropist, and veteran of the United States Army, Mr. Viola is a Brooklyn, N.Y. native and graduate of both the U.S. Military Academy at West Point and New York Law School. Mr. Viola is also Co-Founder and Chairman Emeritus of Virtu Financial, one of the nation's foremost providers of financial technology products and services, and former Chairman of the New York Mercantile Exchange (2001-2004).

Since his purchase of the Florida Panthers in 2013, Mr. Viola's steadfast leadership, impactful investments in the local community, and ongoing dedication to growing the game of hockey in South Florida have not only transformed the Panthers into a world-class destination franchise—delivering the team's first Presidents' Trophy (2021-22), two Prince of Wales Trophies (2022-23, 2023-24), and first Stanley Cup in the franchise's 30-year history (2023-24)—but fueled hockey enthusiasm across the Sunshine State while making a positive impact in the lives of South Floridians.

Under Mr. Viola's stewardship, the Florida Panthers Foundation has refocused its mission on serving veterans, in addition to investing in children's education, conserving the endangered Florida panther, and growing youth hockey with an emphasis on furthering diversity, inclusion, and access to the game. Since then, the Foundation has provided free educational programming for hundreds of local public schools and continues to serve the community through ongoing outreach programs, crisis relief efforts, grant programs, and partnerships with local 501c3 organizations.

Mr. Viola, who was recognized in 2021 by Sports Business Journal for his advocacy in diverse and inclusive hiring, is one of four team owners on the NHL's Executive Inclusion Council to combat racism and accelerate diversity. Under his leadership, the Panthers have continued to further these efforts both on and off the ice, including the revitalization of Fort Lauderdale's historic War Memorial Auditorium and construction of a two-sheet team practice and community ice facility— the Baptist Health IcePlex—which is further expanding access to the sport of hockey to thousands of tri-county residents through an array of community hockey and skating programs.

A graduate of the U.S. Army Airborne, Air Assault, Infantry, and Ranger Schools, Mr. Viola served as an infantry officer in the 101st Airborne Division, and his dedication to the U.S. military additionally led to his creation of the Florida Panthers' Heroes Among Us program, which has honored hundreds of veterans, and counting, since its inception in 2013.

As Chairman of the New York Mercantile Exchange (NYMEX) from 2001-2004, Mr. Viola's decisive leadership, guidance, and untiring efforts were credited with leading NYMEX's reopening following the terrorist attacks on the World Trade Center on September 11, 2001. Mr. Viola's commitment to our nation's security led to his founding of the Combating Terrorism Center at West Point. In 2023, Mr. Viola received the Financial Innovation Award from the Museum of American Finance as the Co-Founder and Chairman Emeritus of Virtu Financial.

A life-long horse racing enthusiast and owner of St. Elias Stables, Mr. Viola owns the 2017 Kentucky Derby and Florida Derby-winning horse, Always Dreaming, the 2019 Breeder's Cup Classic winner, Vino Rosso, and the 2023 Florida Derby winner, Forte.

Mr. Viola and his wife, Teresa, have three sons - John, Michael, and Travis - and several grandchildren.

MATTHEW CALDWELL

PRESIDENT, CEO & ALTERNATE GOVERNOR

Matthew Caldwell is the President, Chief Executive Officer, and Alternate Governor of the National Hockey League's Florida Panthers. A U.S. Army veteran and former Vice President at Goldman Sachs, Caldwell first joined the Panthers as Chief Operating Officer in 2014. Just two years later, at age 36, Caldwell assumed the role of President & Chief Executive Officer, making him the youngest CEO in all of U.S. professional sports at the time.

Over the past several years, Caldwell's strategic efforts have played a pivotal role in the rebirth of the Stanley Cup-winning Florida Panthers—from building a front office team that continues to set franchise records in ticket sales, TV viewership, and sponsorship revenue, to onboarding Florida Panthers General Manager Bill Zito in 2020, whose transformational work led the team to its first Presidents' Trophy (2021-22), two Prince of Wales Trophies (2022-23, 2023-24), and first Stanley Cup capture in the franchise's 30-year history (2023-24).

A graduate of the United States Military Academy at West Point, Caldwell went on to serve five years as a U.S. Army Captain where he conducted combat operations in Iraq, led peacekeeping operations in Kosovo, and trained soldiers preparing for deployment in Germany. During his military career, Caldwell was awarded a NATO Kosovo Military Medal, an Iraq Campaign Medal, and a Bronze Star Medal. Much in the way he diligently and selflessly served the country, Caldwell has continued to serve the Panthers franchise, pushing it towards great success.

As President & CEO, Caldwell has led all major deals for the Panthers under Vincent Viola's ownership, including the Panthers' 2023 arena naming rights partnership with Amerant Bank, and multimillion-dollar sponsorship deals with Fort Lauderdale-based AutoNation, LaCroix, and Visit Lauderdale that helped transform the franchise. Additionally, in 2022, Caldwell leveraged the team's exploding fan base and record-breaking ticket sales to negotiate a local media rights extension with Bally Sports that more than doubled the value of the franchise's previous 10-year deal, before going on to secure a new multi-year agreement with Scripps Sports in 2024 to broadcast Panthers hockey for free to residents of Miami, Fort Lauderdale, West Palm Beach, and Fort Myers—thereby expanding access to, and enthusiasm for, Panthers hockey across the Sunshine State.

Over his decade-long tenure with the Florida Panthers, Caldwell has been instrumental in ensuring the franchise remains firmly rooted in Broward County, beginning with his pivotal role in restructuring the Panthers-Broward County 2015 arena lease, and later amending and extending the agreement in 2024. Having cemented the Panthers as respected full-service facility operators within Broward County, which has served as the basis of the Panthers' successful public-private partnerships, Caldwell successfully led lease negotiations with the City of Fort Lauderdale for the Panthers' $100-million revitalization of the War Memorial Auditorium and construction of a new two-sheet team practice and community ice facility—the Baptist Health IcePlex—which opened to the public in March 2024, and is expanding access to hockey and other ice sports amongst thousands of tri-county residents across all ages and demographics.

In lockstep with Panthers ownership, Caldwell's servant leadership has catapulted the organization's commitment and outreach to the South Florida community, with a heightened focus on advancing diversity and inclusion. Initiatives include providing free educational programming to thousands of local students, spearheading crisis relief efforts—which have ranged from rebuilding a local family's home after a fire, to sheltering and feeding thousands of community members during Hurricane Irma—and fundraising to support our nation's military veterans, to name a few. Having previously committed more than $8 million to local nonprofits, the Panthers recently announced a continued minimum commitment of $1 million annually to support philanthropic initiatives in the region.

Caldwell was selected to the Florida Council 100 in 2024, and is also a member of the Greater Fort Lauderdale Alliance's CEO Council, the Broward Workshop Executive Committee, and the Orange Bowl Committee. He has been recognized by South Florida Business Journal as an "Ultimate CEO" (2021) and "40 Under 40" honoree (2016), and also earned a coveted spot on Sports Business Journal's "Forty Under 40" list (2018).

Caldwell completed his J.D. degree from Northwestern University School of Law, his MBA from Northwestern Kellogg School of Management, and his Bachelor of Science degree from West Point. He resides in Fort Lauderdale with his wife, Fernanda, and their three children, Flora, Pedro and Matteo.

BILL ZITO

PRESIDENT, HOCKEY OPERATIONS & GENERAL MANAGER

Bill Zito was named General Manager of the Florida Panthers on September 2, 2020. He was promoted to President, Hockey Operations and General Manager on April 15, 2024. He is responsible for the club's hockey operations, including all matters relating to player personnel, scouting and minor league operations.

In his four-season tenure as general manager, Zito's Panthers secured their first-ever Stanley Cup championship, made the Stanley Cup Final twice (2022-23, 2023-24), won the club's first Presidents' Trophy (2021-22) and captured the Atlantic Division title twice (2021-22, 2023-24). The Cats have made the Stanley Cup Playoffs in all four seasons, the longest postseason streak in club history. Over the past four campaigns, the Panthers have accumulated a 189-88-25 regular season record and lead all teams with 35 playoff wins (35-26). In that span, Florida leads all teams in shots on goal per game (35.8), ranking third in goals per game (3.57).

In 2023-24, the Cats posted the lowest goals against per game (2.41) and shots against per game (27.8) in one season in club history. Securing the Atlantic Division title for the second time in three seasons, Florida posted 110 points (52-24-6 record), the second-highest point total in franchise history behind only their 122-point campaign in Zito's second season in 2021-22. In the 2024 postseason, the Panthers downed their cross-state rival Tampa Bay Lightning in a playoff series for the first time prior to defeating the Boston Bruins and Presidents'-Trophy winning New York Rangers to earn their second consecutive Cup Final berth, the first team to return to the Final after losing since the 2008-09 Pittsburgh Penguins. In the 2024 Stanley Cup Final, the Cats overcame the star-studded Edmonton Oilers to earn the club's first-ever championship.

Zito has been a finalist for the Jim Gregory GM of the Year Award in three of his first four seasons (2020-21, 2022-23 and 2023-24), the first general manager in NHL history to do so with a team.

Off the ice, Zito established a first-of-its kind Goaltending Excellence Department, focused on a comprehensive, integrated experience and program for all goalies in the Panthers system and headed by Hockey Hall of Famer and Special Advisor to the GM, Roberto Luongo.

Prior to joining the Panthers, Zito spent seven seasons with the Columbus Blue Jackets organization (2013-14 to 2019-2020), serving as assistant general manager for six seasons before his promotion in 2019 to vice president of hockey operations, associate general manager and alternate governor. In 2015-16, Zito was named general manager for Columbus' American Hockey League affiliate, the Cleveland Monsters (then Lake Erie Monsters).

During Zito's first season with the Monsters, the club posted a franchise-record 97 points in the regular season and won its first-ever Calder Cup Championship. The Monsters produced a 15-2 record in the 2016 Calder Cup Playoffs, the best record for a team in four rounds in AHL history.

On the international stage, the Milwaukee, Wisc., native served as general manager for Team USA at the 2018 IIHF World Championship, capturing a bronze medal and posting a 6-2-0-2 (W-OTW-OTL-L) record, tied for the best-ever by a U.S. team in tournament play. Zito also served as a member of the management team for the United States at the 2015 IIHF World Championship, winning a bronze medal. He will serve as an assistant general manager for Team USA at the 2025 NHL 4 Nations Face-off and for the 2026 U.S. Olympic Men's Ice Hockey Team.

Prior to his career as an NHL executive, Zito founded and built Acme World Sports in 1995, building it into a world-renowned talent agency for hockey players. He represented Vezina Trophy winners Tim Thomas and Tuukka Rask, Vezina Trophy finalist Antti Niemi, Selke Trophy winner John Madden and All-Stars Kimmo Timonen and Brian Rafalski. Zito graduated from Yale University in 1987, where he earned a bachelor's degree in history. While at Yale, he played three seasons for the Bulldogs Division I men's ice hockey team. Following his graduation, Zito played one season of professional hockey in Europe before returning home to Wisconsin, where he attended law school at the University of Wisconsin-Madison from 1990-93. There he served as a graduate assistant and assistant coach for the Badgers hockey team as well as a radio color commentator until he graduated with his JD degree in 1993.

While attending high school in Milwaukee, Zito served as bat boy for the 1981 and 1982 Milwaukee Brewers under legendary general manager Harry Dalton, who encouraged Zito to one day pursue a career in management. In 1982, the Brewers owned the best record in Major League Baseball and won the American League pennant before falling to the St. Louis Cardinals in seven games in the 1982 World Series.

Zito and his wife, Julie, are the parents of twin daughters, Frankie and Gigi and son, Billy.

PAUL MAURICE

HEAD COACH

Paul Maurice was named the head coach of the Florida Panthers on June 22, 2022. A veteran of almost 30 NHL seasons as a head coach, Maurice joined Florida after having spent nine seasons behind the bench with the Winnipeg Jets (2013-14 to 2021-22). He previously served as the head coach for the Hartford Whalers/Carolina Hurricanes (1995-96 to 2003-04, 2008-09 to 2011-12) and the Toronto Maple Leafs (2006-07 to 2007-08).

In his inaugural season in South Florida, Maurice steered the franchise to a Prince of Wales Trophy as well as the club's first win in the Stanley Cup Final, marking Maurice's second-career Stanley Cup appearance.

Maurice then led the Panthers to their first-ever Stanley Cup Championship in 2024, marking the second consecutive season he coached the team to the Stanley Cup Final. He owns a 29-16 postseason record with the club over two seasons behind the bench in South Florida.

Previously, Maurice led the Carolina Hurricanes to the 2002 Stanley Cup Final and 2009 Eastern Conference Final and guided the Winnipeg Jets to the 2018 Western Conference Final.

Maurice, a native of Sault Ste. Marie, Ontario, has set numerous milestones throughout his extensive career behind an NHL bench. When he was first hired by the Hartford Whalers to serve as their head coach during the 1995-96 season, he became the then second youngest NHL head coach in League history. He owns the Winnipeg Jets franchise record for games coached (600) and wins (315) and was the youngest in League history to reach both 1,000 and 1,500 games as a head coach, and the second youngest to earn 500 wins. Maurice is also one of three coaches to earn at least 300 wins with two different franchises. He surpassed Barry Trotz for second most games coached all-time, coaching in his 1,813th game on January 24, 2024. He became the fifth head coach in NHL history to reach the 850-win mark.

Prior to his NHL head coaching career, Maurice spent two seasons (1993-94 to 1994-95) as head coach of the Detroit Jr. Red Wings of the Ontario Hockey League (OHL), culminating in an OHL championship in 1994-95.

Selected by the Philadelphia Flyers in the 12th round (252nd overall) of the 1985 NHL Draft, Maurice played four seasons with the Windsor Spitfires of the Ontario Hockey League from 1984-85 to 1987-88.

Maurice and his wife, Michelle, have three children: Sydney, Jake and Luke.

STANLEY CUP CHAMPIONS

Throw your rats, Cats fans.

The culmination of a dream 30 years in the making, the Florida Panthers captured their first-ever Stanley Cup with a 2-1 win over the Edmonton Oilers in Game 7 at Amerant Bank Arena on June 24.

A team once mocked for decades as irrelevant is now immortal.

Soak it in.

"It's everything you could possibly dream of," said Panthers defenseman Aaron Ekblad, who's in his 10th season with the organization. "They always say that you can't put it into words, and you really can't. I just got done crying a few minutes ago like a little baby."

After letting a 3-0 series lead turn into 3-3, the Panthers saved their best for last.

In many ways, this Game 7 should be looked back on as a masterful performance.

"It just took us one game to get ourselves together and just know what to do," said Panthers captain Aleksander Barkov, the team's longest-tenured player currently in his 11th season. "We went out there with less thinking, more doing. ... There's lots of emotions right now."

Opening the scoring for the first time since Game 3, the Panthers raced out to an early 1-0 lead when Carter Verhaeghe, who had scored a team-leading 10 goals heading into the game, deftly tipped in a shot to make it 1-0 at 4:27 of the first period.

Just 2:17 later, Mattias Janmark responded for the Oilers when he took a stretch pass from Cody Ceci and beat Sergei Bobrovsky on a breakaway to quickly even the score 1-1 at 6:44.

In the second period, the penalty kill shined for the Panthers.

Keeping the Oilers from taking the lead just a few minutes into the middle frame, the Panthers, who took just one penalty in the game, shut down Edmonton's lethal power play.

In an incredible display of determination, Kevin Stenlund, the team's fourth-line center brought in during the offseason to stabilize Florida's penalty kill, spent much of the kill with nothing but his body to get in the way of Edmonton's shots after his stick was broken.

"It's harder to skate without a stick and block shots," Stenlund laughed when recalling the sequence. "We made it through. It was a team effort today. Today, we stayed out of the box. We played disciplined. It was great, great overall."

Breaking the tie with the biggest goal of his career, Sam Reinhart, who scored a career-high 57 goals during the regular season, beat Stuart Skinner with a wicked snipe from the right circle to make it 2-1 at 15:11.

In an impressive goaltending battle, Bobrovsky finished with 23 saves, while Skinner made 19.

"You can't pick one guy because every guy was so committed to winning," Panthers forward Sam Bennett said of the full-team effort in Game 7. "Every guy was so committed to doing whatever it took to win. I love this group. This is a really special group."

Carrying that lead into the final 20 minutes, the Panthers locked it down as only they can.

FLORIDA PANTHERS STANLEY CUP CHAMPIONS

Not allowing a single shot on goal until 7:08 had ticked off the clock, the Panthers held the Oilers, desperate for a goal, to just nine shots and eight scoring chances in the third period.

With just over seven minutes left in regulation, the Panthers survived one of the scariest sequences of the period when Connor McDavid, who took home the Conn Smythe in defeat after leading the playoffs with 42 points, was denied on a golden look in front.

On the play, Gustav Forsling kept McDavid from getting a clean look, and Brandon Montour kept Zach Hyman from getting a shot off on the follow-up attempt. Helping Bobrovsky keep the puck from across the goal line, Eetu Luostarinen and Bennett both dove into the crease.

In that moment, you could tell the Panthers weren't going to let this one get away.

"Big players step up at big times," Bennett said.

From there, the Panthers slowly chipped away at the final opponent: the clock.

Over the final five minutes, Evan Rodrigues basically lived in the boards.

"That's what I was trying to do – kill as much time as possible," said Rodrigues, a key signing last summer. "Especially late in the period, we were trying to wear them down there. We just wanted to wear them down in the D-zone. Every guy contributed. It was all worth it."

When the final seconds ticked off, jubilation ensued.

After so many years of ups and down, the Panthers reached the top of the mountain.

Stanley Cup champions.

"It was supposed to be seven games," Forsling said. "We're doing it the hard way. That's how it was supposed to be, at home in front of our family, friends and fans. It was meant to be."

They don't call them the "Cardiac Cats" for nothing.

A series that brought out all the emotions with the back-and-forth wins, goals, physicality and intensity, if the Panthers were going to take home their first Stanley Cup, it was always going to be the "Panther Way."

The storybook ending to a magical season carried the same theme during the Stanley Cup parade.

Despite a severe thunderstorm and downpouring rain in Broward County, around 400,000 fans stretching down Fort Lauderdale beach and A1A came to celebrate the victory of Lord Stanley.

With everything that this team and its fans had gone through to get to this moment, there was nothing in South Florida that was going to rain on this parade.

In Panthers Territory, fans wouldn't want it any other way.

We Help You Help.

When you help care for a loved one, you take care of everything. But are you taking care of yourself?

AARP can help with information and useful tips on how you can maintain a healthy life balance, care for your own physical and mental well-being, and manage the challenges of caring for a loved one.

Get help from others. Ask family and friends for assistance. Seek advice from other people caring for their loved ones.

Care for yourself. Don't forget about your own needs. It's just as important to make a plan to take care of yourself as it is to create a caregiving plan for your loved one.

Tap into AARP's resources. AARP.org/caregiving has a wide array of information, including legal and financial guidance.

You're there for them. We're here for you.

For the past 20 years, Goldie's Gang has hosted the Goldie's Gang Golf Classic. This annual golf tournament brings together Goldie's Gang sponsors and friends along with some special guest golfers for a great day of food, sun, and fun.

The event enables us to raise a majority of the funding needed to provide kids and their families with opportunities in and around sports that they otherwise may not have had.

Our Mission

We help South Florida's kids by granting funds to individuals, organizations, teams, leagues, and educational initiatives. The motivation behind Goldie's Gang is giving kids special experiences that will stay with them for a lifetime.

Giving South Florida kids, a sporting chance.

Goldie's Gang isn't just about giving kids tickets to live sporting events. It's about providing fun, happiness, hope, and creating those unforgettable memories to inspire kids, and hopefully, help some kids overcome the adversities in their lives.

PANTHERS WELL REPRESENTED AT NHL 4 NATIONS FACE-OFF

Then NHL will soon showcase its talented players on the global stage once again.

For the first time since the 2014 Olympics in Sochi and the 2016 World Cup of Hockey, NHL players will participate in a best-on-best tournament as part of the brand-new 4 Nations Face-Off in 2025.

The 4 Nations Face-Off is an international tournament that will take place from Feb. 12-20, 2025, in Boston and Montreal, featuring NHL players from the United States, Canada, Finland and Sweden.

Of course, when top talent is involved, the Florida Panthers are always in the mix.

Named the Assistant General Manager of Team USA, Panthers President of Hockey Operations and General Manager Bill Zito will help piece together the country's roster for the 4 Nations Face-Off and the 2026 Olympics in Milan-Cortina.

Zito will work alongside Team USA General Manager Bill Guerin (Minnesota Wild) and fellow Team USA Assistant General Managers Chris Drury (New York Rangers) and Tom Fitzgerald (New Jersey Devils).

"We've got a great management group and I'm excited to work with them in representing our country," Guerin told NHL.com. "It's an exciting time in USA Hockey and we're focused on bringing home championships from both events."

Internationally, Zito previously served as the General Manager of the 2018 U.S. Men's National Team that won a bronze medal and was also with the management team for the 2015 U.S. Men's National Team that also won a bronze medal.

On the ice, forwards Aleksander Barkov (Finland) and Matthew Tkachuk (USA), and defenseman Gustav Forsling (Sweden) were among those selected for their respective countries' first six players.

Like winning the Stanley Cup, representing your country is at the top of many hockey player's lifelong dreams.

"It means a lot, it's a very big honor," said Forsling on the selection. "Representing my country was something I dreamed about since I was a kid."

Throughout his career, Barkov has represented Finland at the IIHF World Junior Championship, IIHF World Championship, NHL World Cup and the Olympics.

The Panthers captain won a bronze medal with Finland at the 2014 Winter Olympics, posting a tournament-best faceoff percentage (83.33%).

Barkov also took home a silver medal from the 2016 IIHF World Championship.

With the United States, most recently, Tkachuk earned a bronze medal with the United States at the 2016 IIHF World Junior Championship.

In that tournament, Tkachuk tied for the team lead with 11 points (four goals, seven assists) in steven games.

At the junior level, the All-Star forward helped USA win gold medals at the 2014 U17 World Hockey Challenge and 2015 IIHF U18 WJC, being over a point-per-game in both tournaments.

Forsling's standout performances for Sweden came at the IIHF World Junior Championship in 2015 and 2016.

In 2015, the lockdown D-man led the tournament's defensemen in goals (3), assists (5) and points (8), and in 2016 was tied for the lead among the tournament's defensemen in goals (2).

With more roster moves to be made by December, additional Panthers could be making the trip to Boston and Montreal in their country's sweater to play for gold.

As the Olympics also approaches, Panthers defenseman Uvis Balinskis helped his native Lavia qualify for the tournament should make an appearance in Milan-Cortina in 2026.

After nearly a decade off of international best-on-best, the upcoming tournaments are going to be must-watch for Panther fans and the hockey world.

FLORIDA PANTHERS WAR MEMORIAL

War Memorial Auditorium is South Florida's newest premier entertainment destination, located in the heart of downtown Fort Lauderdale while still only minutes away from the city's scenic beaches.

The recently revitalized venue offers 44,000 sq. ft of versatile space with a 3,400-person capacity featuring a general admission floor and premium seated mezzanine level. Originally opened in 1950 and situated in the 93-acre Holiday Park, the venue combines historical significance with modern amenities, including state-of-the-art lighting and sound systems.

Inside the main lobby, there is a soldier statue that was moved to a more prominent location and serves as a representation for Broward County soldiers. Both inside and outside of the venue, the community will find two plaques: one that represents Broward County veterans that served during the Vietnam War and a second that represents those that made the ultimate sacrifice in defense of the nation.

The Panthers kept and revitalized the merchant marine monument outside the venue and the red flags on the walkway up to the Auditorium represent 'soldier art sculpture.'

Recently, the Panthers announced 'The Driver Era' as the first-announced concert at War Memorial Auditorium on March 7, 2025 and 'Wallows' on Feb. 24, 2025. All fans can purchase tickets for concerts at SeatGeek.com.

War Memorial Auditorium can host a diverse range of events, from concerts and performances to community gatherings, galas/dinners, graduations or reunions and more. For more information, visit FTLWarMemorial.com. Follow us on Instagram and Twitter at @ftlwarmemorial.
